The 2017-18 Northern Territory Arts Grants Program offered two funding rounds through the Arts Projects category to support the development of new work, development of arts skills and the presentation and promotion of arts projects offering up to \$20,000 per application. A separate category prioritised emerging artists offering up to \$15,000 per application.

## \$400,000 in grants awarded

Arts NT received 88 applications to both rounds. \$400,000 in funding was offered to 25 successful applications following the recommendations made by a peer assessment panel.

The panels considered the merit of all applications against the project category objectives and assessment criteria.
