

2021-22 NXT Gen ARTS Awarded Grants

The 2021-22 Northern Territory Arts and Culture Grants Program offered a funding round through the NXT Gen ARTS category to support structured career development for early career artists aged 18-25 years through a professional arts practice placement with an arts organisation, with the aim to increase employment pathways and opportunities for youth in the Northern Territory arts and culture sector. Up to \$10,000 per application were available to support a three-month placement.

\$120,000 in grants awarded

Arts NT received 12 eligible applications with \$120,000 in funding and awarded funding to 12 successful applicants following recommendations made by the assessment panel.

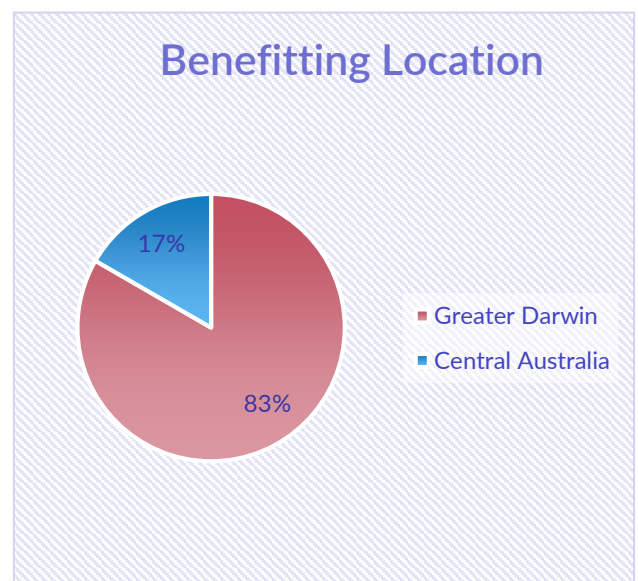

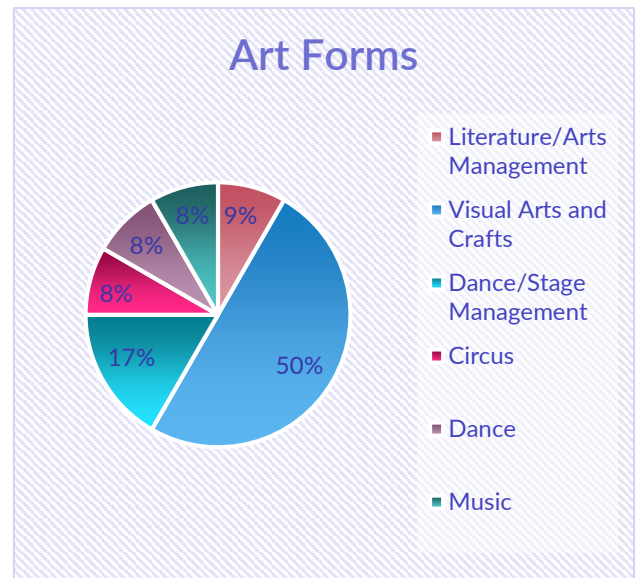

Assessment Panel

The assessment panel consisted of three senior Northern Territory department delegates with expertise in education, youth and the arts.

Panels consider the merit of all applications against the published grant category objectives and assessment criteria. Panels also consider regional spread, and diversity of applicants and project participants.

Statistics

- 12 funded projects (100% success rate).
