

Northern Territory Archives Service Cabinet Documents Fully Exempted from Release 1/1/2017

Records exempted from release after 30 years under the *Information Act* are reviewed for public access when the records reach 45 years of age. The maximum restricted access period for government archives is 100 years. For further information please see the *Brief Guide to Cabinet Submissions and Decisions*, and the NT Archives Service Archives Management Standard [Public Access to Government Archives in the Custody of the NT Archives Service](#).

Exempted volumes:

Cabinet documents are arranged in bound volumes, and therefore an exempt Cabinet document requires the volume containing the exempt document to be restricted.

Researchers may complete an [Application for Access to Government Archives in the Restricted Access Period \(Form 4\)](#) for non-exempted Cabinet documents in an exempted volume. Arrangements can then be made to obtain a copy of the relevant open document.
