1. Purpose

This policy outlines how the Chief Executive Officer (Housing) or a Community Housing Provider (CHP) determines rent specified in a social housing tenancy agreement.

2. Scope

The policy applies to premises owned or leased by the Chief Executive Officer (Housing) for the purpose of social housing, including those leased to community organisations.

3. Policy

3.1. Rent collected

The total rent to be collected from a tenant is full rent, unless the tenant is eligible for a rebate or located in a remote community, or Tennant Creek community living area.

The maximum rent is determined by the Minister under Section 23 of the *Housing Act 1982*.

For social housing delivered by a CHP, rent is to be calculated in accordance with this policy and the Rental Rebate policy, plus 100% of Commonwealth Rent Assistance (CRA). CHPs must only charge rent in accordance with this Policy, the Rental Rebate Policy and as published in the NT Government Gazette from time to time.

3.1.1. Full rent

Full rent, also known as market rent, is determined by the Minister under Section 23 of the *Housing Act 1982* and is reviewed periodically and published in the Government Gazette. It is based on figures calculated from average rent for a type of premises in each suburb or community where public housing is located.

A tenant will only pay full rent if they are not eligible for social housing.

Full rents are attached as an Appendix to this policy.

3.1.2. Urban Rebated rent

A rental rebate is a subsidy given to eligible urban tenants and tenants from Alice Springs Town Camps. If the tenant is eligible for a rebate, the rent to be collected is calculated on a percentage of assessable household income and provided with a subsidy off the full rent of the premises.

Under Section 23 of the *Housing Act* the amount of rent can rise or fall during the tenancy on the decision of the Minister. Under Section 41(5) of the *Residential Tenancies Act 1999*, the CEO (Housing) does not have to provide a warning 30 days in advance of a rent increase. Tenants are informed in writing when the amount of rent to be collected changes.

For tenants who are located in remote communities and Tennant Creek community living areas, rent rebates are calculated differently.

Refer to the Rental Rebate policy.

3.1.3. Remote Rebated rent

The rent to be collected from tenants located in remote communities, and Tennant Creek community living areas is calculated on a fixed rate of \$70 per bedroom / per week with a maximum rental rate of \$280 for a four bedrooms premises / per week and above.

Remote rent is subject to a specific rent rebate scheme titled the 'Safety Net.'

The Safety Net equals 25% of the household income which may be applied to tenants on a case by case basis to ensure that rent does not place the tenancy under rent stress.

If a renovation, replacement or demolition program changes the bedroom composition of the premises, the rent to be collected will be adjusted accordingly.

Remote rent is determined by the Minister under Section 23 of the *Housing Act 1982* and is reviewed periodically and published in the Government Gazette.

Remote rents are attached as an Appendix to this policy.

3.2. Payment details

Housing rents must be paid at least one week in advance. Normally rent is charged each week on Monday, however tenants may pay rent on any schedule (e.g., weekly, fortnightly, or monthly), provided rent is always one week in advance.

Tenants who receive Centrelink payments must have their rent deducted automatically from their payment. For tenants who do not receive a Centrelink payment, rent should be deducted automatically from their bank account.

3.3. Employee Incentive Scheme

Tenants who are participating in the Employment Incentive Scheme will have their rent gradually increased to reduce the employment disincentive of a sudden increase in rent.

4. Discretionary decision making

Discretion can be applied to this policy using the Discretionary Decision-Making policy.

5. Complaints and/or appeals

If a client is not satisfied with either a decision or action of the CEO (Housing), they can access the Department's complaints and/or appeals processes. For further information, please refer to the Complaints and/or Appeals policies.

If a client is not satisfied with either a decision or action of their Community Housing Provider, they can access the Provider's complaints and/or appeals processes. For further information, please refer to the Provider's Complaints and/or Appeals policies.

6. Review of the policy

If at any time the legislative, operating or funding environment is so altered that the policy is no longer appropriate in its current form, the policy shall be reviewed and amended accordingly.
