

Northern Territory Disability Strategy 2021–2022

Road Map

This Road Map shows the key stages and important milestones we will follow to develop and implement the Northern Territory Disability Strategy (the Strategy).

Stage	Details
Stage 1	Strategy consultation In this stage we will: <ul style="list-style-type: none">• develop a high-level vision of the Strategy• set up the Northern Territory (NT) Disability Strategy Steering Committee• support the Minister for Disabilities to formally launch the Strategy consultation• draft and publish the Strategy Discussion Paper on the HaveYourSay website• launch the NT Disability Strategy webpage• consult with the disability sector and stakeholders• ask the disability sector to encourage people to have their say and give feedback.
Stage 2	Strategy and First Action Plan development In this stage we will: <ul style="list-style-type: none">• publish the results from our consultation on the NT Disability Strategy webpage and share them with stakeholders. This will include feedback on the Strategy's draft vision, outcome areas and priorities• run workshops and targeted meetings with stakeholders to refine the First Action Plan• produce a draft 10 Year Strategy Document for the NT Disability Strategy Steering Committee and NT Disability Advisory Committee to finalise.
Stage 3	Strategy and First Action Plan release In this stage we will: <ul style="list-style-type: none">• release the final Strategy and First Action Plan after a formal launch by the Minister for Disabilities. The first action plan will include ongoing governance, monitoring and reporting.
Stage 4	Strategy tools and support development In this stage we will: <ul style="list-style-type: none">• develop information and tools to help community, business, non-government and government organisations create their own disability action plans• release the tools on the NT Disability Strategy webpage.
Stage 5	Actioning the Strategy In this stage we will: <ul style="list-style-type: none">• continue to promote and drive the Strategy forward and develop the next action plans• monitor and report each year on the progress and outcomes of the Strategy to the NT Disability Advisory Committee and the Minister for Disabilities.
